

# Marshall County 4-H **PIGGY BANK PAGEANT**

Reduce. Reuse. Recycle

Help your environment, show your creativity, and begin saving money!

## **Guidelines:**

- For all youth in Marshall County in grades 4th-12th
- Design and create a bank using items found around your house.
- Be creative! (it does not need to be a pig)
- Create a slot to insert change.
- Attach a piece of paper with your name, grade, school, teacher, email, and an explanation of the materials you used to create it.

## **Example Ideas:**

Milk or Juice Jug

Boxes

Paper Mache

Coffee Can w/ lid

## **Judging will be based on:**

- Creativity
- Quality
- Use of recycled materials
- How well guidelines were followed

**Please bring your piggy banks to the UT Extension Office (230 College St Ste. 160  
Lewisburg) by 3:30 pm on February 25th**
